****

Yale University upholds the principle of equality in housing opportunity. We insist that landlords or agents who list with the Off Campus Listing Service abide by the Connecticut Statues prohibiting discrimination based on race, creed, color, national or ethnic origin, ancestry, gender, marital status, age, lawful source of income, mental or physical disability or sexual orientation. Yale University is not responsible for replies to listings placed in the Off Campus Listing Service.

If a complaint is filed with an enforcement agency we may remove all listings placed by the defendant until the complaint is resolved. If it is proven that illegal discrimination has occurred, listings will not be re-entered into the system until we have received written certification that the landlord or agent will abide by the statutes in the future. We also reserve the right to remove listings and/or prohibit landlords from placing listings if: (1) substandard accommodations have been listed with Yale (verified by the Building Inspection Office) (2) there is evidence that the rights of tenants have been violated or that inaccurate information was provided to the Off Campus Listing Service.
