

## **The McDougal Ticket Office**

The Office of Graduate Student Life at the McDougal Center sells tickets for events it organizes, including Grad Nights at local Arts venues, sports events, and socials like the Winter Ball. We also sell discount tickets to some area attractions; the ticket office distributes FEAST lunch tickets to Graduate School students and faculty. Other tickets are available to Yale graduate/professional students, postdocs, staff, and their family members, with some restrictions.
