

## Linking Expressions

(from Oshima, Alice and Ann Hogue. 1999 *Writing Academic English*, Third Edition. Longman, White Plains, NY)

<b>Writer's purpose</b>	<b>Linking words and phrases</b>
To add an idea	in addition, furthermore, moreover, also
To show time or sequence	meanwhile, first, second, then, next, later, finally
To contrast	however, nevertheless, though, in contrast, on the other hand
To show result	therefore, thus, consequently, as a result
To emphasize	in fact, of course, indeed, certainly
To provide an example	for example, for instance
To generalize or summarize	in general, overall, in short
