“HAUNTING AND VIVID. What this documentary shows is how a vital and indispensable principle of humanity was restored.” – *A.O. Scott, The New York Times*

“The reason it has the power to shock, appall and infuriate is because of its **TRUTH.”**
– *Stuart Klawans, The Nation*

Made for the U.S. Department of War in 1948 and widely shown in Germany, this historic film about the first Nuremberg trial had been buried for more than 60 years until the restoration of this complete version.
