

The International Center Café presents
HALLOWEEN & HARVEST TIME

Thursday, October 30

7pm to 9pm

International Center, 421 Temple Street

Autumn is a time of traditions in the US and this event is designed to provide an introduction to some of the highlights of the season. In celebration of Halloween, we will be carving pumpkins into jack-o-lanterns, tasting all sorts of trick-or-treat candy, and playing a few games. Halloween costumes are encouraged (but not required). The autumn harvest brings in a number of seasonal fruits and vegetables that figure into traditional North American dishes, many of them central to the Thanksgiving meal. Try pumpkin pie, apple pie, apple cider, pumpkin bread, cranberry sauce, and much more! Please join us as we celebrate autumn in New England.
