Join us as we mark this global day connecting all women around the world with a celebration by the inspiring and talented women of the Yale community. The evening will feature performances and presentations by student and spouse groups, snacks and refreshments, and flowers for all the women in attendance!

This evening is a celebration of women, but is not restricted to women — ALL are welcome!

This event is sponsored by the Office of International Students & Scholars, the MacMillan Center, Student Life at the McDougal Center, and the Center for International Experience.
