

Yale University
Percentage of Yale College Students Housed in the Residential Colleges, 1950-1999

Note:

(a) The total undergraduate enrollment count includes some students who were not degree candidates for some earlier years.
 In 1969, women were first admitted to Yale College. The housing patterns of the student body reflect that change.

Sources:

Prior to 1980-81, student directories were used. From 1980-81 on, data came from Student Census Reports.
