**Note:**

From 1979-80 on, these counts include full-time instructional faculty in all of Yale's schools except the School of Medicine. Before 1979-80, the counts also exclude the School of Nursing. Residential College Masters and all Deans are not included, nor are faculty on leave without salary. Eleven-month salaries are converted to a nine-month basis. "Lecturer Convertible" is a title given to successful candidates for assistant professorships who have not completed their Ph.Ds at the time their appointments began.
