Yale University
FAS Faculty Headcounts
Tenured & Term
2004-05 through 2008-09 (a)

Notes:

(a) Included here are faculty headcounts, not faculty F.T.E.'s or positions. Counts are based on the location of the primary appointments regardless of how positions are funded. FAS ladder faculty serving as president, provosts, deans and directors of museums and faculty with a primary appointment in a professional school are excluded. Residential college masters are included.

Tenured includes tenured professors and tenured associate professors. "Term" includes non-tenured associate professors, assistant professors, instructors, all convertible appointments, Gibbs Assistant Professors, and Gibbs Instructors.

(b) Molecular Biophysics and Biochemistry (MB&B) is a department in both Medicine and FAS. In this table, all MB&B faculty, including Howard Hughes faculty, are included in the Faculty of Arts & Sciences. Beginning 2005-06 Howard Hughes faculty are counted as "paid."
