## EDUCATION

- 2005 (Jan 05-Jan 06) *NIMH Postdoctoral Fellowship*, Center for Mental Health Services and Criminal Justice Research, A Rutgers University/University of Pennsylvania initiative with Drs Nancy Wolff (Rutgers) and Jeffrey Draine (University of Pennsylvania). Postdoctoral Primary Mentor: Dr Nancy Wolff (Center Director). Mentoring team included: Dr. Larry Davidson (Yale), Dr. Carol T Mowbray (deceased, University of Michigan) and Dr. Norma Ware (Harvard).
- 2005 *PhD Social Work & Social Psychology*, dissertation defended December 16, 2004. University of Michigan, Ann Arbor, MI
- Dissertation Title: "From abandonment to inclusion: Recovering from psychiatric illnesses through possible selves." Co-Chairs: Dr. Carol T. Mowbray, & Dr. James S. Jackson; Committee members: Dr. Daphna Oyserman, Dr. Mark Holter, and Dr. Debbie Gioia.
- 1997—2000 *NIMH Gender and Mental Health Training Fellowship*, National Institute for Mental Health, University of Michigan, Institute for Research on Women and Gender, PI: Dr. Susan Nolen-Hoeksema. Faculty Mentors: Dr. Carol Mowbray (Social Work/Psychology) and Dr Jennifer Crocker (Social Psychology). University-wide competition awarded to graduate students conducting research in the area of gender and mental health across disciplines. Received advanced training and instruction from national scholars.
- 1998 *M.A. Psychology* (1998), The University of Michigan: All requirements met
- Social Psychology Preliminary Examination (1997) - Areas studied: the social self -- social comparison processes, group identity, stigma and the self-concept.
- Psychology – M.A. Thesis (1998): "Supported education as an empowerment intervention for people with mental illness." (Faculty Advisors: Carol T. Mowbray, PhD & James S. Jackson, PhD) (Published in Journal of Community Psychology, 1998).
- 1993 *MSW, Social Work* (Health Major – Interpersonal Practice (Clinical) and Administration in Health Care Settings). Rutgers, the State University, New Brunswick, NJ
- 1990 *B.A. Psychology*, Minor: Professional Youth Work Rutgers, the State University, New Brunswick,
- Special Training**  
1999 Intensive Training on Qualitative Research (3 hours x 20 days) with Drs. David

Morgan, Michael Ager & Eben Weintzman  
Survey Research Center (SRC) Summer Institute  
The University of Michigan, Ann Arbor

1991 Intensive Training on AIDS in African Communities (five days), Chikankata Hospital, Mazabuka, Zambia. Class designed to instruct participants on ways to engage communities in AIDS education and treatment. Participants included representatives from Botswana, Zimbabwe, and Zambia.

## AWARDS AND FELLOWSHIPS

2007—2009 *National Institutes of Health (NIH), Health Disparities Research Loan Repayment Program Award.*

2006 *The Carol T Mowbray Early Research Career Award*, U.S. Psychiatric Rehabilitation Association. Award presented June 6, 2006 at the annual USPRA Conference, Phoenix, AZ.

2005 (Jan 05-Jan 06) *NIMH Postdoctoral Fellowship*, Center for Mental Health Services and Criminal Justice Research. [See Education section]

2002 *Outstanding Research Award*, Society for Social Work and Research (SSWR), January 2002. For the following article: Bybee, D., Bellamy, C. D. & Mowbray, C. T. (2000). Analysis of participation in an innovative psychiatric rehabilitation intervention: Supported Education. *Evaluation and Program Planning*, 23, 41-52. In recognition of exemplary contribution to knowledge development in the profession of social work.

1997—2000 *NIMH Gender and Mental Health Training Fellowship*, National Institute for Mental Health, University of Michigan, Institute for Research on Women and Gender. [See Education section]

1995—2004 *Rackham Merit Doctoral Fellowship*, University of Michigan.

1993 1992-1993 *Honor Student of the Year in Health Social Work*, Rutgers, the State University. In recognition for academic achievement and community service in healthcare.

## RESEARCH EXPERIENCE

2007 (July)—Present *Assistant Clinical Professor*, Director of Peer Services and Research, Yale Program for Recovery and Community Health, Yale University School of Medicine, Department of Psychiatry, New Haven, CT. Research interests include sociocultural issues and recovery from psychiatric illness, peer involvement and mentorship in the recovery process for individuals with mental illness, substance abuse, incarceration, or HIV. Responsibilities include: Research investigator on NIMH sponsored grant: Cultural Responsiveness for People with Psychosis § Responsible for research coordination § Supervision of peer staff (people with psychiatric illness and/or substance abuse) § Supervision/development of community integration initiatives § Oversee management of all peer related support and research projects at PRCH, including the Citizenship Project Jail Diversion program

with Dr. Michael Rowe at Yale University. Also involves ongoing data analysis of peer related projects § Train persons in recovery about research and participatory action methods through the Consumer Research and Evaluation Network (CREN).

- 2006 (July)—2007 (July) *Instructor*, Yale Program for Recovery and Community Health, Yale University School of Medicine, Department of Psychiatry, New Haven, CT. Site Coordinator for NIMH sponsored grant: Cultural Responsiveness for People with Psychosis. Responsible for research coordination; supervision of peer staff (people with psychiatric illness and/or substance abuse); and supervision/development of the community integration condition for the study. Also analyzing data on alcoholism and drug use from the Citizenship Project Jail Diversion program with Dr. Michael Rowe at Yale University.
- 2006 (Jan. – June) *Associate Research Scientist*, Yale Program for Recovery and Community Health, Yale University School of Medicine, Department of Psychiatry, New Haven, CT. Duties described above.
- 2005 *Managing Editor*, Journal of Offender Rehabilitation (JOR), a Haworth Press journal - Editor-in-Chief, Nancy Wolff. Reviewed manuscripts submitted to JOR, assigned reviewers and followed-up with authors for suggestions.
- 2002—2004 *Research Associate and Program Assistant (Graduate Student Research Associate - GSRA)*, Assessing Consumer-Centered Services (ACCS), NIMH Funded grant. University of Michigan School of Social Work, Principal Investigators: Dr. Carol Mowbray and Mark Holter. *Sept. 2001 - Present*. ACCS studies characteristics of consumer-centered programs in Michigan (60 sites, which provide a place for persons with mental illness to socialize, network, access community resources/services, and receive social support in an environment of peers). Involved in grant development phase. Responsible for Project Implementation and on-going research assignments.
- 2000—2004 *Research Associate/Consultant*, Great Lakes Area Supported Education Replication (GLASER). University of Michigan School of Social Work, P.I. Carol Mowbray, June 2000 – present. The Great Lakes Supported Education Replication (GLASER) is patterned on our work with the Supported Education Community Action Group (SE-CAG). This three-year grant enables us to work with stakeholders in the Great Lakes States (Ohio, Indiana, Illinois, Wisconsin) to develop supported education programs for people with psychiatric disabilities and implement a model for dissemination centers in their states.
- 2000 *Research Assistant*. Substance Abuse and Group Work Research Literature Project. Review and content analysis of literature on social work groups with substance abuse samples. With Dr. Charles Garvin for the National Institute of Drug Abuse (NIDA)
- 1998—2001 *Graduate Research Assistant*, Interdisciplinary Child Welfare Training Grant, University of Michigan, Principle Investigator: Dr. Kathleen Faller. November 1998 – September 2001. This project worked with programs in Indiana and Michigan to assist mental health, substance abuse, domestic violence and child welfare agencies in collaborating services to address parental child maltreatment concerns. Conducted/analyzed focus groups with Michigan child

welfare state employees regarding their training needs. Developed training curriculum for child welfare and other community professionals on issues of parental mental health problems and child welfare. Developed needs assessment instrument and other evaluation protocols and measures with team members, Dr. Daniel Saunders and Melnee McPherson, MSW.

1995—1999

*Research Assistant, Michigan Supported Education Project (MSEP)*. University of Michigan School of Social Work, Principal Investigator - Dr. Carol Mowbray. Sept. 1995 – December 1999. Qualitative data collection and analysis of an intervention study that assisted people with mental illness in the transition back into post-secondary education. Conducted focus groups, transcribed, coded and analyzed data. Data analysis of barriers to participation study.

1996—1998

*Research Assistant, Centers for Disease Control HIV Research Group. Program for Research on Black Americans*, Institute for Social Research, University of Michigan, Drs James S. Jackson, and David Williams. September 1996-1998. Explored the applicability of theoretical frameworks for HIV prevention in communities of color. Assisted in development of preliminary report for submission to the CDC.

1992—1993

*Graduate Research Assistant, Evaluation of HIV prevention in a Methadone Clinic*. Rutgers University, Dr. Alfrieda Daly. New Brunswick, NJ, May 1992-May 1993. Provided evaluation services for a safer sex education initiative. Facilitated focus groups to design HIV/AIDS questionnaire using both quantitative and qualitative measurements. Interviewed clients on issues of HIV/AIDS and condom use at a methadone maintenance program. Qualitative data analysis of all interviews.

## **TEACHING EXPERIENCE**

2006—Present

*Guest Lecturer*. Addictions and Special Populations lecture on Gay/Lesbian/Transgender populations and Addiction Issues. December 3, 2008/ December 5, 2007/ December 6, 2006. Training program for Substance Abuse Fellows, Yale University, Caroline Easton, PI.

2006—Present

*Peer Support Training*. Training of peers (people with firsthand experience in recovery from mental illness), to work with other peers. Trainings consist of Recovery 101, community integration, using photovoice methodology in the community, person-centered treatment planning, peer supervision; Intentional Peer Support, etc.

2003

*Cultural Competence for Social Workers in training – Issues in conducting clinical assessments of child abuse cases*. With Melnee McPherson and Dr. Kathleen Faller. The University of Michigan, School of Social Work.

2001

*Research Panel Discussion*. Research on Psychosocial Rehabilitation for people with mental illness. *Mental Health Services Course*, Masters in Social Work Program, University of Michigan, Jane Hassinger - Instructor. With Mowbray, C. T., Holter, M., Bellamy, C. D., Megivern, D. (2001, March).

1999

*Mental Health Trainer*, Child Welfare Interdisciplinary Training Grant. The University of Michigan, Kathleen Faller, Ph. D., ACSW. *Parental mental health problems*. Fort Wayne, Indiana. May 1999.

- 1998 *Instructor.* Project Outreach – Social Justice Section. Undergraduate Psychology Course. The University of Michigan. This course presented social justice topics to undergraduates. Class included invited speakers, group exercises, and lectures by instructor. Coordinated student placements with community agencies. Students must participate in a 40-hour internship with an agency. Approximately 45 students in class.
- 1998 *Instructor.* Project Outreach – Group Leaders Section. Undergraduate Psychology. The University of Michigan. This course trained undergraduate students as section group leaders for the project outreach course. Six students enrolled as group leaders for the course. Course included: group discussions about problems and concerns; conflict management; group work principles, etc.
- 1998—2003 *Student Advisor.* Advise students on research, academics, and career planning. (Approximately 15 students since 1998).
- 1997—2004 *Field Instructor/Research Associate* Supported Education-Community Action Group (SE-CAG). University of Michigan School of Social Work, Principal Investigator, Dr. Carol Mowbray. Sept. 1997 - Present. Provide technical assistance to sites implementing supported education programs. Responsibilities include: community organizing principles and strategies, involved in training sites on how to do: process evaluations, community resource and needs assessments, marketing, and program planning/development. Developed Resource Manual (How to Guide) and other program manuals and guides.
- Field Instructor* to sites in Lansing, Kalamazoo, and Flint. These sites have developed programs and are currently working with students with a psychiatric illness. The SECAG team organized first national conference on supported education, held in Ann Arbor, April 2002.
- 1997 *Panelist -- Policy issues for Women.* Women, Drugs and Policy Course, Masters in Social Work Program, University of Michigan, Dr. Beth Reed – Instructor. With Sarri, R., Berger, M, Bellamy, C. D. (1997, June 3). Discussed policy issues for women living with HIV.
- 1996 *Train the Trainer Workshop* for Community Health Outreach Workers (CHOW) of the HIV/AIDS Resource Center, Multiculturalism issues in HIV Prevention. Ypsilanti, MI. December 3. Trained outreach workers to conduct HIV prevention workshops with communities of color.
- 1993-1995 *Trainer and Lecturer--* The New Jersey Women and AIDS Network, September 1992 - May 1995. Conducted 115 presentations and/or trainings on AIDS issues, i.e., women and AIDS, African Americans and HIV, adolescents and HIV, AIDS and Faith-based communities, prevention planning, safer sex and empowerment.

## **PROFESSIONAL PRACTICE EXPERIENCE**

- 2006—Present *Clinical Supervision* with Rebecca Allen, LCSW (related to current work assignments)

- 2004 *Clinician*. Family Assessment Clinic, the University of Michigan, Mary Ortega and Kathleen Faller, Ph.D., ACSW. Treatment cases with families involved in child abuse cases, primarily responsible for work with adults.
- 2001—2004 *Clinical assessments of child abuse cases*. Family Assessment Clinic, The University of Michigan, Kathleen Faller, Ph.D., ACSW. Interview children and family members involved in child abuse cases to assess mental health outcomes for court proceedings. Provide multicultural assessments.
- 2001—2004 *Application Review Administrator*, School of Social Work, The University of Michigan. Responsible for evaluating approximately 100-200 applications of students applying to the MSW program at University of Michigan. UofM School of Social Work ranked number one in the country. January – May 2001, 2002, 2003, and 2004.
- 1996—2004 *Consultant*, HIV Program consultation and development (including grant writing assistance) to Faith-based and non-profit organizations.
- Focus Group consultation/facilitation*.
- 1993—1995 *Assistant Director*, New Jersey Women and AIDS Network (NJWAN), New Brunswick, NJ, Sept 1993-June 1995. Coordinated *PROJECT ACT*, a statewide advocacy and leadership-training program for women living with HIV and women working in the field of AIDS. Conducted AIDS educational programs/trainings in the community. Represented NJWAN at statewide and national conferences, programs, meetings and in media presentations. Assisted in production of NJWAN News, i.e., researching and writing articles, and editing. Provided crisis counseling and education to hotline callers. Coordinated statewide Speakers Bureau. Provided technical assistance including grant writing and HIV prevention community planning to local churches, schools and community-based organizations. Field Instructor for student interns.
- 1991—1993 *Social Work Clinician* (Intern, May 1992-April 1993; Clinician, June 1993-Sept 2003), University of Medicine and Dentistry of New Jersey, University Hospital, Newark, NJ, May 1992-Aug 1993. Provided supportive counseling and services to people with HIV/AIDS and their families. Co-facilitated weekly drug detoxification group. Provided discharge planning of inpatients. Maintained ongoing Case Management of new and existing patients followed in outpatient and inpatient services. Designed and co-facilitated bi-weekly education/support group for women with HIV. Assisted Social Work Department with fee for service implementation and preparation of grants.
- 1990—1993 *Intake/Case Worker*, the Salvation Army Human Services Bureau, Newark, NJ, Oct 1990-Aug 1993. (Full time (Oct 1990-June 1990; Part-time Oct 1991 – Aug 1993) Counseling and crisis intervention for homeless women, men, and persons living with HIV/AIDS. Supervised community food bank.
- 1990 *International Service Corps Member*, Chikankata Hospital, Mazabuka, Zambia, Africa, June - August 1990. Assisted clinicians in the leprosy/tuberculosis inpatient and outpatient programs in inpatient services and at community based

clinics. Assisted in the repatriation project -- people with leprosy returning from the Leprosy village to their former homes and families. Wrote project and seminar reports for the Tuberculosis community development program. Completed a 5-day AIDS Leadership Training Program with leaders from Zimbabwe and Botswana. Shadowed HIV Social Worker and Medical Clinician on community rounds.
