

Science Policy Career Trip to Washington D.C.

Join the Yale SEA Student Chapter for a trip to the capitol to see science policy in action and to learn about science policy careers. The trip will include:

- *A visit to the National Academies of Science, Environmental Protection Agency, and more*
- *A tour of congress and a meeting with a legislative director*
- *A networking event with AAAS fellows and Yale alum working in agencies throughout Washington D.C.*
- *And more events to follow!*

Trip is scheduled for October 22nd and 23rd

Space is Limited!

Please RSVP by Friday September 18th
