

PAYNE WHITNEY GYM “SHOWER PASS”

Do you ride your bike or walk to campus every day and wish you could clean up after a long “human powered” commute? Enroll in the free “Shower Pass” program to have access to the Payne Whitney Gym’s showers, so you can refresh at the end of your trip. Read through this agreement and sign it below, then bring it to Payne Whitney Gym Membership Services in the main lobby.

The shower pass program is a pilot program and will be reviewed in a few months to determine if it is to be continued.

The shower pass program doesn’t provide the following:

- Lockers
- Towel service
- Access to other facilities in the Payne Whitney Gym

Lockers

Transient lockers, located on the third floor, are available for men and women to use on a daily basis. If you do not choose to use a locker, Payne Whitney is not responsible for lost or stolen items.

Towel Service

Towel service may be purchased on line for an Annual Fee of \$65.

Access to other facilities in the Payne Whitney Gym

You will not have access to any other facilities in the gym except the showers as a “Shower Pass” user. For information regarding membership and all other recreational programs, please visit our website: <http://sportsandrecreation.yale.edu>

I agree to the terms outlined above.
