Quick and easy access to train travel is just a click away on Orbitz for Business! Now you have even more choices to get where you want to be.

**Yale business travelers can now search and book domestic Amtrak itineraries and seat classes with the same familiar and convenient experience you've come to expect from Orbitz for Business. Get Amtrak Guest Rewards on your travel. And view reserved trips any time online using a computer or mobile device!**

- Full reservation details viewable online in My Trips, including web-enabled devices
- Rapid, robust search for all Amtrak origins and destinations in the United States
- Easy, online booking of coach, reserved and business seat selections
- One hour prior to departure booking available for stations with self-service ticketing kiosks
- Stored Amtrak Guest Rewards number automatically added to reservation

## Exciting new features coming soon – Late 2011

- Yale's discount in the New Haven to Washington market. In the meantime, you can continue to book the discounted fare by calling the OFB service center.
- Trip templates and reservation cloning
- Add to Calendar and Tript
