

New International Support

Orbitz for Business is pleased to inform you of the latest service enhancements to improve international travel options.

INTERNATIONAL BILLING ADDRESSES

OFB has added new countries as a billing address options in the *Provide Billing Information* area of the *Review and Purchase* page. Travelers can now add a credit card with a billing address from one of these countries to their profile.

The countries are now available:

- > Australia
- > Austria
- > Denmark
- > Hong Kong
- > Poland
- > Portugal
- > Singapore
- > Switzerland
- > China
- > Finland
- > Greece
- > Israel
- > New Zealand
- > Turkey

The previously accepted billing countries are:

- > Belgium
- > Canada
- > France
- > Germany
- > India
- > Ireland
- > Italy
- > Japan
- > Mexico
- > Netherlands
- > Norway
- > Spain
- > Sweden
- > United Kingdom
- > United States

FOREIGN POINTS OF ORIGIN

A broader range of options for foreign points of origin are now available for OFB air searches. For a foreign point of origin, the traveler can enter an airport or city in that country in the *From* box when searching for flights.

OFB has added 171 new foreign points of origin options. Here is the complete list of foreign points of origin now available:
