Message from the President and Vice-President

Happy New Year to all of you!

We thank all of you who made our holiday party at the Whitney Museum such a success. The room was beautifully decorated with many fresh greens by Ellie Matson and Leona Nalle. We all enjoyed your delicious culinary contributions. Roberta Thornton was a great master of the silent auction and holiday basket donations, bringing in donations for our Annual Scholarship Fund. A big thank you to the Holiday Party Committee for making this a wonderful celebration.

If, during the coming months, you think of an idea to make our next holiday party special, please let us know and plan to join us next fall as we plan the 2008 event.

There are many exciting activities planned for the coming months. We look forward to seeing you at the Lunch and Learn planned for Tuesday, February 12, when Michael Morand, Yale University Associate Vice President for New Haven and State Affairs, will talk about “Building Campus and Community Connections.” This will be from 12 to 1:30 in the Rose-Dixwell Learning Center at the Yale Police Station.
